BIKE WORKBOOK 2024  
**BIKE HELMETS & SUNGLASSES**

\*

\* Award section  
CASCO Equestrian helmets

## Premium quality helmets

*CASCO products are designed, engineered, and made in our own factory in Europe so that we can guarantee exceptional quality, fair treatment of our employees, and sustainable manufacturing practices.*

*We contribute to environmental sustainability with our own vegetable oil-fueled cogeneration system. This initiative allows us to play an active role in reducing our carbon footprint.*

*The materials we use for our helmets are European-sourced and therefore in accordance with the European safety standards and the EU REACH legislation. CASCO products are high quality and built for longevity.*

**JUST FEEL IT**

**CASCOfit**

**COMFORT / COOLING  
SAFETY**

**CASCOfit:**

The complete package!

The wearer's head only makes contact with the helmet via a net – **CASCO** provides a constant stream of cooling air over the whole head for unsurpassed comfort while riding.

**TEST WINNER**

**CASCO**<sup>®</sup>  
Die Helm-Manufaktur

## **PREMIUM HELMET ACTIV 2: THE SPORTIVE ALLROUNDER**

### **STRUCTURE:**

> Unique three-part design with patented MyStyle system:

- An ergonomic helmet shape that is close to the head
- Shock absorption and optimal protection

### **ULTRA PREMIUM Finish:**

> The head padding is securely attached to the helmet using a Velcro fastener and can be easily removed for cleaning.

- > Seamless padded microfiber chin strap:  
Unmatched comfort

### **PRODUCT FEATURES:**

> Disc-fit-Vario:

- for an ergonomically perfect fit; with horizontal and vertical adjustment options

> Casco-Loc:

- for quick, one-handed opening and super easy adjustment

> Helmet climate:

- large-volume ventilation openings for excellent cooling

> Visibility:

- 360-degree visibility through reflective strips

> MyStyle system:

- interchangeable colored CASCO strips

> Helmet visor:

- height-adjustable

> Insect guard:

- made of light and robust Aluminium

58-62 cm = L

**PREMIUM HELMET  
CUDA 2 & CUDA 2 STRADA:  
A TRUE ALLROUNDER**

**STRUCTURE:**

> Unique three-part design with patented MyStyle system:

An ergonomic helmet shape that is close to the head  
Shock absorption and optimal protection

**ULTRA PREMIUM Finish:**

> Unmatched comfort with the specially designed CASCOfit net by CASCO:

The CASCOfit net ensures that the helmet and head have no direct contact, practically eliminating pressure points.

It reduces lateral rotations in the event of a fall.

> Seamless padded microfiber chin strap:  
Unparalleled comfort

**PRODUCT FEATURES:**

> Disc-fit-Vario:  
for an ergonomically perfect fit; with horizontal and vertical adjustment options

> Helmet climate:  
airflow around the head through cooling wind

> Visibility:  
360-degree visibility through reflective strips and reflective stickers.

> MyStyle system:  
interchangeable colored CASCO strips

> Helmet visor (Version „strada“ without helmet visor):  
the helmet visor is height adjustable and made of a special soft plastic to prevent injuries.

> Insect guard:  
made of light and robust Aluminium

**PREMIUM HELMET E.MOTION 2:  
STRIKINGLY BEAUTIFUL & COMPACT**

**STRUCTURE:**

> Unique three-part design with patented MyStyle system:

An ergonomic helmet shape that is close to the head  
Shock absorption and optimal protection

**ULTRA PREMIUM Finish:**

> Unmatched comfort with the specially designed CASCOfit net by CASCO:

The CASCOfit net ensures that the helmet and head have no direct contact, practically eliminating pressure points. It reduces lateral rotations in the event of a fall.

> Seamless padded microfiber chin strap:  
Unparalleled comfort

**PRODUCT FEATURES:**

> Disc-fit-Vario:

for an ergonomically perfect fit; with horizontal and vertical adjustment options

> Casco-Loc:

for quick, one-handed opening and super easy adjustment

> Helmet climate:

large-volume ventilation openings for excellent cooling

> Visibility:

360 Grad Visibility durch reflektierende Streifen

> MyStyle system:

interchangeable colored CASCO strips

> Insect guard:

made of light and robust Aluminium

# Anti-Fog Products

## Anti-Fog Cloth

Nr. 08.2020.6

- One-step cleaning and anti-fog protection
- Advantage: small, handy and effective on the go

## Anti-Fog Spray

250 ml

Nr. 02.4003.25

- One-step cleaning and anti-fog protection
- Advantage: Thorough and economical
- Large 250ml spray bottle

# Helmet-Care Products

Safety-care products designed specifically for protective helmets. Conventional cleaning agents may attack the helmet shell surface thus reducing it's protective effect.

## Helmet Refresher

Nr. 02.4002.10

- Unpleasant smells are destroyed instead of covered.
- The helmet is useable immediately.

- 100ml spray bottle

## Helmet Cleaner

Nr. 02.4001.10

- Cleans automatically, gently and hygienically, highly effective
- Interior/Exterior use
- 100ml spray bottle
